MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: Director of Central Intelligence

I would appreciate it if we could take the last five years of [ ] service at the Agency and do a profile on it. I am interested in how he was evaluated; by whom; when and why he was shifted from one job to another; what, if any, appeals, complaints or official remarks he made on his conditions of employment; generally, how his case and his performance were reviewed by his supervisors.
